A top-down view of a stack of four white, oval-shaped plates with rounded edges, resting on a dark wooden surface. The plates are slightly offset, creating a sense of depth. A small, fresh green sprig with three leaves and a tiny white flower is placed on the topmost plate, adding a touch of nature to the minimalist composition.

NEW!

YAYOI BELTZ

Cookplay, in conjunction with Ana Roquero, proposes a new material: from the purity of the white to the black, arises a set of new pieces that seek prominence, contrast and enhancement

Textures of volcanic rock, basalt, magnesium and iron for the four pieces of the YAYOI set that invite you to eat in a free and creative way by setting menus conceived to eat “less quantity and more variety” /

Cookplay de la mano de Ana Roquero nos propone un nuevo material; de la pureza del blanco al negro de unas piezas que buscan protagonismo, contraste y ensalzamiento

Texturas de roca volcánica, basalto, magnesio, hierro para las 4 piezas de nuestro set YAYOI que te invitan a comer de una forma libre y creativa configurando menus para comer “menos cantidad y más variedad”

These enigmatic and exotic pieces, fusion of East and West, have been created for a cuisine of strong personality and great expressive force/
